To Whom It May Concern,

It is my pleasure to write this letter for Collin Olsen. Collin has been my student in French I, Concurrent Enrolment and French IV classes at Cottonwood High School from 2010 to 2013. Furthermore he was appointed an officer of the French Club and is currently President. Collin is a hard worker, disciplined and has excellent language learning abilities that make him stand out to me. I have been teaching French for twelve years and I venture to say that he is one of the best students I have had the pleasure to teach.

It was obvious from the beginning that Collin was dedicated to learning French and the subtleties of the language. He always asks pertinent questions and is an excellent leader during group activities. He comes to class on time with a smile on his face and ready to learn. His essays and projects show dedication, hard work and strong organizational skills. Collin also brings his love for history and culture to the class, cooking French foods and bringing his expertise about French and European history. He is a really focused and reliable student and a great leader of the French club.

With his strong leadership, organizational and linguistic skills, Collin Olsen will be an outstanding asset to any program. Collin has been very focused and driven in his ambition to major in History, his passion, while continuing his studies in French and International Business. He is a mature and goal-oriented young man, and a nice and caring individual.

I recommend Collin Olsen. If you have any further questions, please feel free to contact me at (661) 431-8278.

Sincerely,

Virginie Pied
